MERRY CHRISTMAS

COVID-19 UPDATE

As we come out of Tier 3 to the new Tier 4 system, please be vigilant and follow government guidelines. If you have symptoms of high temperature, a new continuous cough, loss of or change in sense of smell or taste, report to the office immediately, **SELF-ISOLATE** and do the **TEST**. There is now a **Weekly Covid Testing service** mandated by the government for all domiciliary care workers. Testing kits are available by your Registered Managers.

Personal Protective Equipment (PPE)

Please ensure you are wearing the right form of PPE at all time. PPE must also be worn appropriately every time. If you run out or do not have one, speak to your manager or contact the Branch with your request.
